Hello, High School Coding Contest Year 2022!

Time Limit: 2.0s   **Memory Limit:** 64M

Hello, High School Coding Contest Year 2022!

In this task, you must print out the message `Hello, High School Coding Contest Year 2022!` — the judge is very strict, so you must output it with the exact same capitalization and punctuation.

input specification:

No Input to this code

Sample Output

```
Hello, High School Coding Contest Year 2022!
```
